

GlaxoSmithKline Initiative and Innovation Awards pre2008

True innovation and commitment in putting people first

Chemical Industry Award (CIA) - GSK was short listed in the People Development category. This award recognises and celebrates an organisation that shows true innovation and commitment in putting people first, July 2006.

Broadest spectrum of work in the area of Resilience

GSK won a prestigious award for the broadest spectrum of work in the area of Resilience (Personal and Team) from BITC (Business in the Community). The work has been nominated for a National Excellence Award, 2007.

First and second place honours in print advertising

May 2007, GSK Talent Solutions received First and Second place honours in print advertising for their newly launched Bold, Authentic, Pragmatic and Breaking the Mold (BAPB) recruitment campaign at the Creative Excellence Awards in New Orleans, LA.

Finalist in the CIPD effectiveness awards & between Personnel & Development (CIPD)

GSK has also been named as a finalist in the Chartered Institute of Personnel Development (CIPD) Effectiveness Awards for their recruitment campaigns aimed at employees who may be displaced from their positions through corporate mergers and acquisitions.
